Taking Out the Trash in Ancient Jerusalem

Excavations on Jerusalem's Southeastern Hill—just outside the “City of David”—have exposed a landfill from the Early Roman period. This garbage provides insights into residents' daily lives and habits during a politically, socially, and religiously tumultuous chapter of Jerusalem's history—when Rome ruled, the Temple stood, and Jesus preached.

Ancient Jerusalem

The village, the town, the city

Archaeologist Yoli Schexnail-Reed says that population estimates for ancient Jerusalem are too high. His new estimates begin with people living in no more than a dozen rooms. In Ancient Jerusalem: The Village, the Town, the City in BAR, readers take walks together through Jerusalem from the Middle Bronze Age through to the Early Islamic Period.

What Did Herod's Temple Look Like?

Michael Ash-Yosef's Temple model hits its golden anniversary

The year 2016 marked the 50th anniversary of the now-iconic model of Herod's Temple created by Israel historian and archaeologist Michael Ash-Yosef. His model depicts ancient Jerusalem as it was before the Romans destroyed the city—and Herod's Temple—in 70 C.E. during the First Jewish Revolt against Rome. But just how accurate is the model?
