

ILLVSTRIBVS VIRIS, *Smith 65*

GERBRANDO PANCRATIO,

IOANNI CORNELIO GEELVINK,
antehac in Collegio, tum Ill^{us} Hollandiæ & West-
Frisiæ Ordinum, tum præfectorum rei maritimæ,
Delegato;

GERARDO SCHAAP, IC.

Curatori Academiæ Lugdunensis, ex Legatione ex-
traordinaria ad Serenissimum Daniæ Regem, trans-
actione pacis felicissime procurata, Reduci;

CORNELIO BICKERO,
Domino in Swieten;

REIP. AMSTELODAMENSIS
CONSVLIBVS.

Vm maximo semper desiderio fla-
gram, VIRI ILLVSTRES, ut de-
votionem meam aliquo Vobis mo-
do ostendere liceret: doluit saepe-
numero, nihil omnino me reperi-
re, quod voti redderet compotem.

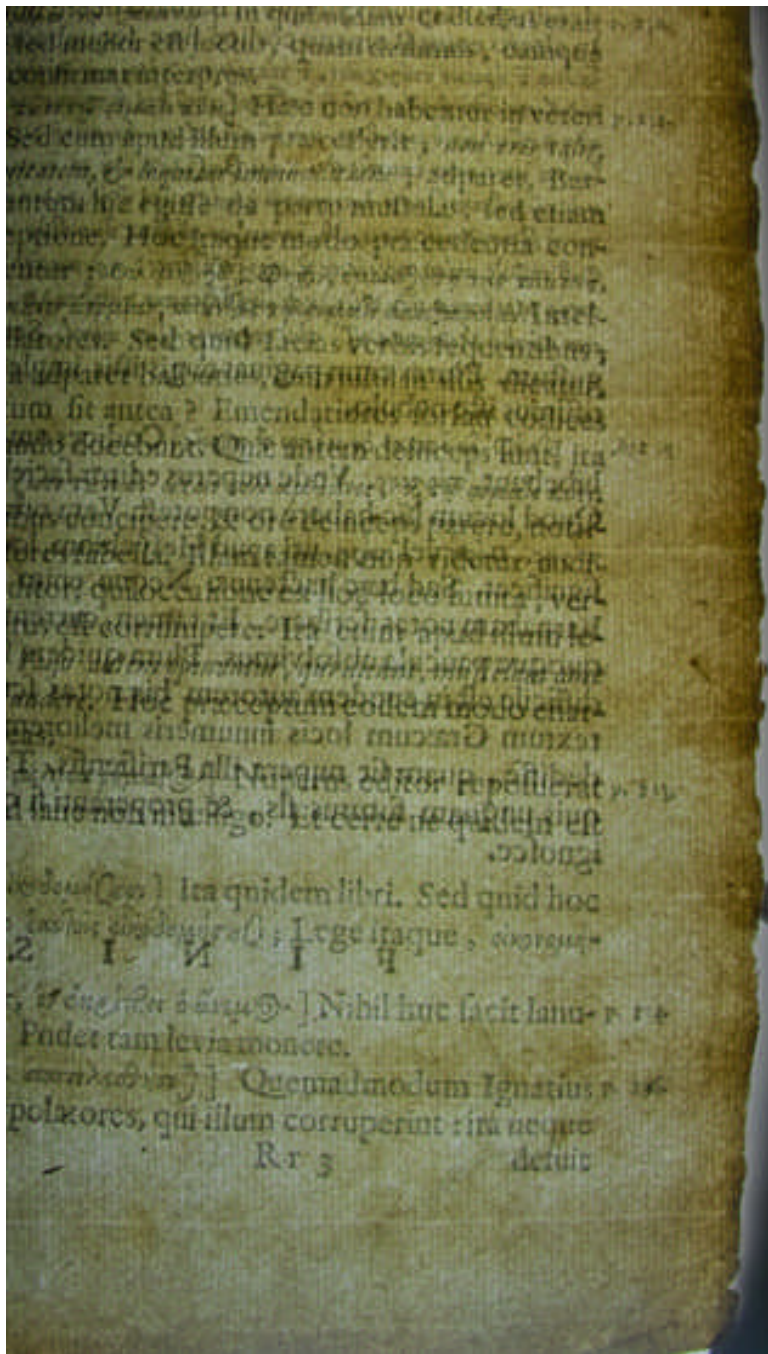

Non permittebant merita vestra, quæ nihil non il-
lustre & sublime expetebant, ut exile aliquid & hu-
mille Vobis offerrem: ut vero magnum aliquid, di-
gnum Vobis, dignum debitis meis, præstarem, non
permittebat ingenii mei tenuitas: quam cum sem-

defuit, qui id ipsum quoque in Barnaba licere sibi crediderit. In altero enim Romano codice hæc sequebantur : *καὶ τὰ πάντα τῶν πρώτων ἐπιγράψαι, τῶν τεκνίων τῆς Σήμ, καὶ αὐτὸς πρώτος ἐβασίλευσεν ἐπὶ τῆς γῆς. τῶν δὲ ἐπιπλοκιστῶν ἐπὶ τῆς τρίτης χιλιᾶδος ἐκείνη ἀπὸ βαβυλων ἢ μαβύλη, καὶ ἐβασίλευσεν ἐν αὐτῇ Νιμρώθ, καὶ μετὰ τούτοις ἐπαίρησεν ἑαυτὸς ἢ ἐν Κάρμ βασιλεία, ἢ τὸ ἔθνος Πήππος, καὶ τῶν ἐπιπλοκιστῶν ἐπιπλοκιστῶν ἐπὶ τῆς γ' χιλιᾶδος, ἐπὶ τῆς τρίτης βασιλείας Νιμρώθ, ἐπιμύσεν ἀνδρας δυναμῆδες ὅτι τῶν ἱερῶν τοῦ θεοῦ πάντες πηχίτας ἢ ἀρχιεπίσκοπος, καὶ κατήλθον ἐπὶ τὴν ἰουδαίαν πρὸς Μοσήτινα ἢ ἐν Νῶε, καὶ ἀποδέμασαν αὐτῶν πάλιν, καὶ ἐπὶ αὐτομάσων αὐτῶν Μοσήτινα καὶ τῶν πρὸς τὴν γῆν αὐτῶν. Sed hæc satis ad gustum. Plures enim paginas nugis istis implebat impudentissimus iste nebulo.*

τ. 216. *Ἐν ἑφ' ἐν ὅσων ἐν μίσει τῆς πηγῆς*] Codices omnes scripti exhibebant, *πύγμης*. Vnde nuperus editor faciebat *πύγμαλ*. Quod locum hic habere non potest. Vera omnino est lectio *πηγῆς*. *Πήγη* vel *πήγη*, uti apud Hesychium, locum excelsum significat. Sed hæc hæc hactenus. Neque enim animus erat in Barnabam notas scribere. Et tamen, currente proelo, hæc quoque pauca absolvimus. Plura quidem supererant, sed difficile est in eundem autorem bis notas scribere. Sufficit textum Græcum locis innumeris meliorem & auctiorem dedisse, quam sit nupera illa Parisiensis. Tu vale lector, si quis unquam futurus sis, & properanti si quæ exciderint, ignosce.

F I N I S.

The type of the paper of the Ignatius edition.

Page 11 of the Ignatios edition with the test of pen and the quality of the ink.

It is impressive the similarity of the letter π with that of the manuscript.

It must be written by the same hand and ink.
